LOUISVILLE, KENTUCKY: TUESDAY MORNING, OCTOBER 2, 1866.

DRY GOODS.

TERMS OF THE DAILY DEMO-CRAT TO THE COUNTRY. ONE MONTH

To our Country Patrons.

**It is understood by our readers that in apportioning representatives in Congress to the States, the whole of the white population have been counted and two.

The will hold the balance of power in the House and have their proportionate weight in the Senate. They will never the set of being restored to a position in the Union than is now other eithem. We again say, let them accept the proportional proport exclude the negroes is the South unless the States will allow them to vote. The purpose is to tempt the Southern States to grant the right to vote, in order to ingrant the right to vote, in order to ln- proposed are unco se their representation in Congress, gress, or no other body, has a right to atead of diminishing them in that body. say on what terms a State shall exercise

different circumstances needed universal stress of the State sequal few people. So they gave the States equal the Property of the States equal the States sequal the States sequal the States equal the States sequal the States sequal the States sequal the States equal the States

the South. Indeed, there is more. We pose they would, is 110 Fourth, bet. Market & Jefferson. know by experience that the majority in any reasonable certainty, even if such

nant to his interests and wishes.

North and South is between the majority North and the negroes of the South. The white man South is suspected and hated: We regret to hear of the death

population have been counted and twn- This same advice is repeated by the It is the purpose New York Tribune with the same threat, Best par cotton matts, \$1; Mrs. S. E. Rosell,

The real object of the party of moral ideas is to relain power. It is to cripple the power of the South in the Union, or If the constitutional amendment was being constitutional amendment was being negroes vote, they will vote with this moral party, and anguient its chances for power. This is reckoned very lair. Those only that vote are to be counted as entitled to representation.

Our fathers who made the Constitution Southern States are out of the Vidou in-Southern States are out of the Union un-

lidn't think so, and they had ressons for til the adoption of this last amendment, it. They knew that there were some in-nor can they be lawfully kept out. They terests and rights that needed representa-lawe been recognized as in the Union by that needed protection, and that States in ment.

Still, we must admit that they are prac-

representation in the Senate without regard to numbers. They knew that the South would be placed at a disadvantage if they counted only white people. A great part of the labor of the South was dely low can they assume that their great part of the labor of the South was performed by a different race of people from the North, who supplied the places that would otherwise be filled by white one entitled to vote. It was not lart to distribute the places that would otherwise be filled by white one entitled to vote. It was not lart to abolished, the relied debt repudiated, all distributes the states. minish their representation by the total with the understanding that the States clusion of this class; but they did not would be restored? We know these were think a negro should count as much as a white man in the hash of representation. So they compromised by counting two-infiths of the slaves. If all the States were in the same condition as to population, the rule now proposed would be satisfactory; but they are not and cannot be, for a country to come, when the negro will active elected by Southern negroes be any leaster.

At present, the charge is acither fair nor just. There is as much reason now as ever to keep up the representation in Radicals? But let us sup-

titly situated; be fulfilled by Congress, and the Southand can it be expected that the Southern
States will consent to augment the power
of this majority, and lessen their own
nothing in the past to lead us to believe, power to protect themselves in their own that they would fulfill their pledges. The Southern States, If all in the Union, would now be in a small minority in Congress. This is a scheme to make that minority still less; and we know that minority still less sti

onditions were accepted, that they would

minority still less; and we know that Federal legislation is now adopted with no regard to the interests or wishes of the soun, it is all intended to benefit the negro and injure the white man; to subsequently and the subsequently among negroes according ject the latter to whatever is most repug- to the Radical programme. Indeed, we feel assured that it will do so. We can

ity North think he can be used to pro- lng court at Hopkinsville, and left for his ote their power and perpetuate their home on Friday last, somewhat unwel. when the white man South consents to

Of the success he achieved during the few weeks of his practice here, as the facts pre sented might prove of interest to those re uiring medical relief. Testimonial from

C. F. SANDERS, ESQ.

265 West Magazine Street, for the

wember next. The cases of Jones, Bussick and the Mathews brothers, all indicated for murder, were continued. Jones and Bussick are the nurderers of Adocok and the Berry family. The Matnews been very much impaired as that I apprehended total deafness would eventually be the result. I applied to Dr. Lighthilf for reilef, and I am happy to state that he restored on to perfect hearing, so that it am now ahie to hear as good as ever. I shall be foraver grateful to the Doctor for the benefit derived from his great skill, and consider him fully worthy of public confidence.

C. F. SANDERS.

Louisville, Sept. 22, '66.

Wember next. The cases of Jones, Bussick are the Mathews brothers, all indicated for murder, were continued. Jones and Bussick are the murderers of Adocok and the Berry family. The Matnews brothers are indicted for the murder of the Locke, in Milier county. All these riminals were formerly members of St. Locke, in Milier county. All these riminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. All these reliminals were formerly members of St. Locke, in Milier county. This is all. Alis task will necessarily be a short one, and does not imply on the part of the French troops, and the Mathews brothers, all indicated for inverting of General Bazine, she ther are longed in mility with no other mission than to arrange for the withdrawal of the French troops, and the Mathews of the Mexican army. This is all.

A discask will necessarily be a short one, and does not imply on the part of the French Government the idea of giving Louisville, Sept. 22, '66.

mmended Mr. Sanders to Dr. ctness of the facts as above stated. E. C. BOHNE,

A Testimonial from H. LEISMAN, ESQ., 221 Market Street.
